

REWIND Training

Venue: RASA Offices, Unit 2-3 Stella Nova, Washington Parade, Bootle, Merseyside, L20 4TZ

**RASA
MERSEYSIDE**

The training course is approved by the British Psychological Society Learning Centre for the purposes of Continuing Professional Development (CPD). The course is delivered by one of our 2 accredited Rewind Trainers. The workshop course is so structured:

The first half of the day is spent on understanding the difference between PTSD and PTS. The theoretical basis on how the Rewind Technique works at neuronal level. Comparing the advantages of the Rewind Technique with other treatments. How to assess the severity of the impact of the trauma on the individual and how to assess treatment has been successful. There will then be an opportunity to see a practical demonstration.

The second half of the day is practical: delegates will be given the opportunity of being both therapist and/or client. The workshop ends with a questions and answers session.

A comprehensive manual on how and when to use the Rewind will be provided.
