

QLS Level 5 Diploma In Counselling Adult Trauma

**Venue: RASA Offices, Unit 2-3 Stella Nova,
Washington Parade, Bootle, Merseyside,
L20 4TZ**

**RASA EDUCATION
LIMITED**

Who is this course for? Qualified counsellors wishing to expand and deepen their knowledge of working with trauma and sexual abuse.

What is covered on this course?

- Students will learn the theory of psychological trauma, including looking at physiological, biological, psychological, and sociological responses to trauma.
- Students will learn about the different diagnoses of trauma, with a focus on complex trauma and sexual abuse
- Students will learn about the theory of attachment and how these different attachment styles can influence a therapist's approach to working with psychological trauma
- Students will learn a staged approach to working with trauma through exploring and critiquing trauma focused models.

Course Curriculum:

Module 1: Trauma Theory

Module 2: Complex Trauma and Attachment with specific reference to sexual abuse

Module 3: Safe Trauma Therapy: assessment, managing risk, and trauma focused models

Module 4: Working with Trauma: A Staged Approach

Module 5: Self Care, Vicarious Trauma, and Burnout

Method of assessment:

In order to successfully complete this CPD course that is endorsed by Skills and Education Group under their Quality Licence Scheme all students are required to complete a 3,500 word case study.
